

Donations Policy

All donations received by the Youth With A Mission Foundation are gifts used to further the religious and charitable purposes of Youth With A Mission Foundation.

The granting of funds is restricted to those ministries, programs, and projects selected by the Board of Directors for support.

In the event that funds are received for a ministry, program or project that is completed, or deemed ineligible to receive funds, the Board of Directors will redirect any and all remaining funds. Gifts are non-refundable.

All contributions must be directed solely to Youth With A Mission Foundation.

A note may be included with your donation indicating your non-binding interest in supporting a specific ministry, program, or project. The Board of directors will make every effort to match your interest with the field driven needs of ministries, programs and projects, but cannot guarantee that the funds will be applied as you suggest.

A tax-deductible receipt for charitable donations will be sent out annually by February 28 of the following calendar year. If an email address is provided, a digital receipt will be sent there unless otherwise requested. If an email address is not provided, it will be mailed to the most recent home address on file.

All donations designated to ministries supported by YWAM Foundation are distributed to them on the 25th day (or closest business day) of every month, in the appropriate currency.

A 4% expense recovery is deducted from every donation received to cover administrative costs. Donations received through 3rd party credit card processing sites such as CanadaHelps and Charitable Impact are subject to additional service charges at time of processing.

If you have any questions or concerns about your donation, please do not hesitate to contact our office.

Thank you for your giving.
